

THE PATH TO FREE BIRTH CONTROL

A GUIDE TO A STEP AHEAD'S CLIENT PROCESS

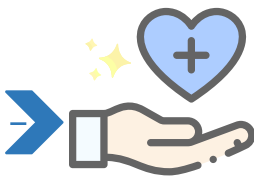

An individual hears about **FREE** birth control offered through A Step Ahead Chattanooga.

Client calls **423-265-7837** to make an appointment.

FREE TRANSPORTATION is available to and from A Step Ahead medical partners for any client who needs a ride.

* For counties without Uber access, gas cards or SETHRA are available.

A Step Ahead pays for basic health screenings **INCLUDING:** STI tests, pregnancy test, and Pap test, if needed.

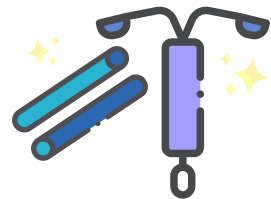

THE MEDICAL PROVIDER works with each individual client to find the best method of birth control for them.

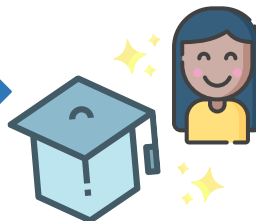

The medical provider is reimbursed by **A STEP AHEAD** for any services not covered by insurance. Uninsured clients are covered in full.

The client receives reversible birth control, absolutely **FREE**.

Generous private donors, organizations, and foundations provide financial support to make this entire process possible.

Each client now has the tools to effectively live **LIFE ON THEIR TERMS**.
