

WHAT WE DO

18 COUNTIES SERVED

A Step Ahead Chattanooga's mission is to remove barriers to contraception through education, outreach, and access to birth control to any woman living in our tri-state, 18-county service area who wants it, for **FREE!**

We believe that all individuals, not just individuals of means, should have the opportunities to achieve their educational, professional, and relationship goals.

THE BARRIERS TO BIRTH CONTROL

KNOWLEDGE

A Step Ahead educates individuals, so they know all of their birth control options.

COST

A Step Ahead pays whatever costs aren't covered by other means, regardless of income or insurance status.

ACCESS

A Step Ahead offers clients free transportation to appointments. We operate a phone line **423-265-7837** to make appointments.
